

Children of God for Life Teams With Sound Choice Pharmaceutical Institute (SCPI) to Announce Their Pro-Life Produced Certification Program

What is an SCPI Certification?

This new Sound Choice ProLife Produced™ Seal will certify that a product is free of aborted fetal or embryonic cells, DNA and components or other illicitly obtained human materials.

Remember the old Good Housekeeping Seal that appeared on consumer products? SCPI's Seal will help:

- Families and Physicians concerned about vaccine sources
- Patients worried about contaminants in their medicines
- Women abhorred by the thought of using aborted fetal material in cosmetics

**Would YOU choose a ProLife Produced™ product over a competing one?
