YOU CAN'T BE BOTH CATHOLIC AND PRO-ABORTION!

"John F. Kennedy promised he'd keep his Catholic faith out of his public service. I think all Americans—not just Catholics—have been paying for that mistake for 40 years."

Excerpted from a speech given by an American Archbishop of the Catholic Church.

These 12 United States senators claim to be Catholics, but their public support for the deadly practice of legalized abortion is scandalous in the eyes of the Church. Canon Law 915 makes it clear that professing such heretical beliefs makes them unworthy to receive Holy Communion:

"Those who...obstinately persist in manifest grave sin are not to be admitted to Communion." *Canon Law 915*

We call on all bishops and priests to respectfully refuse Holy Communion to these and all public figures whose unrepentant support for the killing of babies in the womb defiles the Mass and the Body of Christ.
