BLOOD MONEY

Planned Parenthood feeds on the blood of innocent people to make its living. It aborts over 250,000 preborn children a year, wounds an untold number of mothers and permanently scars others.

It uses pornography under the guise of "sex education" to teach grade school kids. It lies—refusing to tell women that early sexual activity is linked to cervical cancer and birth control pills are linked to breast cancer.

Every year the beast, Planned Parenthood, continues to deceive, growing fatter and fatter as the amount of innocent blood and shameful tears flow more rapidly. But as long as the blood money (including our hard-earned tax dollars) keeps pouring in, Planned Parenthood will never stop.

Close Planned Parenthood. Don't pay for it. Sign our petition today at:
