NO THANK YOU!

I will NOT give money to the Catholic Campaign for Human Development in this current collection or any other upcoming appeal for donations, nor should any other good Catholic! American Life League's website, www.all.org/cchd presents clear documentation that the CCHD—USING OUR DONATIONS—is funding groups that support ABORTION, same-sex marriage and contraception!

Until the CCHD completely cuts off funding from organizations that support abortion, contraception, same-sex marriage or any other act in direct contradiction with Church moral teaching—OR ASSOCIATES WITH THOSE WHO DO—and provides complete transparency on its web site by providing the results of every aspect of the screening process for each funded organization, I will not give a single penny to its programs!
