Hugh has been a member of ALL's board of directors for over 10 years and currently serves as the organization's executive vice president.

Hugh is a popular speaker for fundraising matters. Among his favorite topics are:

- The need for a ***no-exceptions*** pro-life movement
- Protecting Christ in the Eucharist (Canon 915)
- The value of sports in children's lives
- Marriage
- All abortion (surgical, pill, contraceptive, and IVF)
- Children
- Family
- Culture of life
- Marketing

In May 2021, Hugh—cofounder, chairman of the board, and head football coach at Saint Michael the Archangel Catholic High School—was selected for induction into the national Sports Faith Hall of Fame.

Hugh's full biography:

Hugh Brown has been involved in the pro-life movement for most of his life. As the eldest son of Paul Brown and Judie Brown -- the co-founder and President of American Life League (ALL), Hugh joined ALL and now serves on its Board of Directors and is the Executive Vice-President. With a lifetime devoted to defending pro-life values and authentic Catholic education, Hugh is a sought-after speaker on all pro-life issues and Catholic spirituality for men, fathers, and families, as well as on issues of Catholic education affecting teachers, parents and students.

Hugh also had a successful 25-year career as a corporate executive managing one of the nation's most well-known direct mail marketing firms. He has real world experience to speak on regarding the practical and spiritual means of handling the daily stresses that work and the secular world can have on family life and fatherhood.

Hugh consistently writes for American Life League on the most important and timely pro-life topics, and he appears regularly on "Trending with Timmerie", a popular show broadcast on the national Relevant Radio network.

Hugh and his wife Ann have five children. In 2004, motivated by his desire to ensure that his daughter Emily and other students could receive a quality Catholic high school education within his community, when none then existed, Hugh worked alongside his wife and others to plan and open St. Michael the Archangel High School in Fredericksburg, Virginia. This co-ed high school has been a model school that is based on pro-life values included throughout the entire 4-year curriculum, and it is certified by its diocese. “We are raising and training the next generation of pro-life and Catholic leaders who will not flinch in the face of our nation’s eroding moral culture. Nothing is more important than forming our youth,” says Hugh, who also serves as Head Coach of the school’s award-winning football team, integrating sports with faith and morals.

In his 5 years as head coach of the Saint Michael Warriors football team, they won a home school championship in his first year, and moving into the official Virginia Private School league they played in 3 consecutive State Championship games, winning the State championship in 2019 and 2022. His team has the smallest enrollment in the state, and yet is the second highest rated private school program in Virginia as of January 2023. It’s an accomplishment of perseverance and trust in Divine Providence.

The McCaskey family that owns the NFL Chicago Bears took notice of the miraculous achievements of the school’s football team and inducted Hugh and Saint Michael the Archangel High School into “The Sports Faith International Hall of Fame” in May 2021.

Hugh says, “Football is the Vehicle, Christ is the destination.” He can expertly speak from experience on the significance of coaching and playing sports with a mindset of determination that is based on building academic and physical skills along with the moral and social values we find in our faith – which together makes for a great team!

Hugh has led a life dedicated to God, family, the moral education of our youth, and the culture of life. He offers the following words to fortify us all in the fight to build a culture of life:

“People know abortion is wrong. The truth is written onto every person’s heart. It requires fortitude to stand up for Christ, to stand for the truth. Have no fear. Christ will never leave you or forsake you. You can change the world through the strength of your faith in Christ; you just have to believe that.”

AWARDS

In May 2021, Hugh was selected for induction into the Sports Faith Hall of Fame. He was nominated for the honor by Mr. Patrick McCaskey, vice president of the Chicago Bears.

In announcing the honor, Mr. McCaskey said:

Coach Brown has lived a life dedicated to serving others, and in a very short period of time has accomplished extraordinary achievements with his football team, program, and his school that have not gone unnoticed. His dedication to the young men on the football team has changed their lives in ways that are everlasting. His witness to his team, his school, the Christian community, and the business community are humbling. I can think of no one more deserving of this honor and recognition.

Katie Brown

Director of Marian Blue Wave

Katie Brown is the director of the Marian Blue Wave program at American Life League. The MBW was originally conceived as a national effort in the United States to achieve specific goals. With the grace of God and the intercession of His beloved mother, we pray the Rosary for the conversion of our nation, for an end to the killing of the innocent, and for repentance and healing.

The specific MBW goals are to:

- Shut down every Planned Parenthood facility in the United States.
- Shut down every abortion facility in the United States.
- Expose Catholics who advocate for or promote abortion in any way so that we can pray for them and reach out to each of them in love. Our goal is to change hearts by teaching the truth.

Under Katie's direction, in less than four years the Marian Blue Wave has drawn over 10,000 participants in 31 different countries and has witnessed the closure of more than 60 Planned Parenthood facilities. In 2022, the program collectively prayed more than half a million Rosaries for an end to abortion and saw Roe v. Wade overturned.
